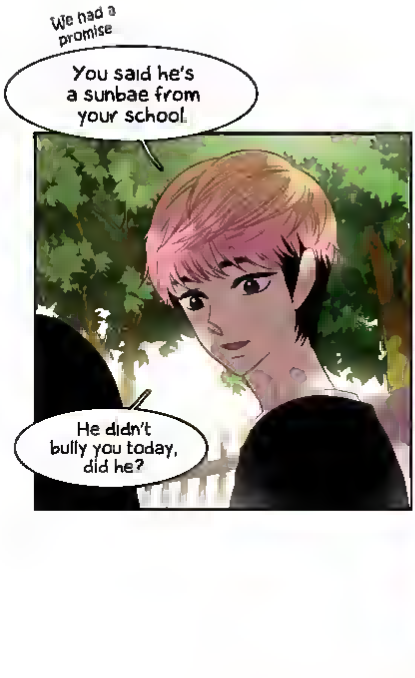
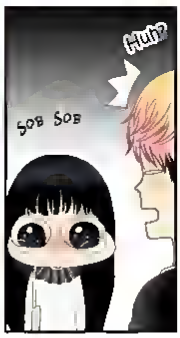
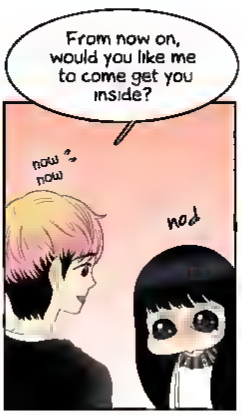
Hey...
You really came to get me?



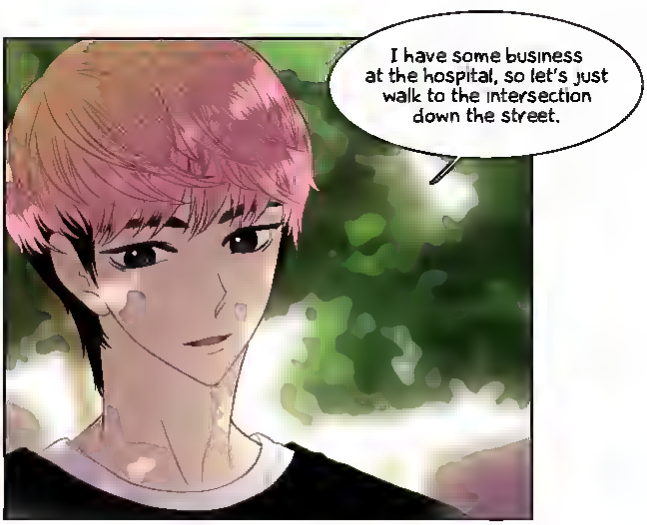
We had a promise
You said he's a sunbae from your school.
He didn't bully you today, did he?



Huh?
sob sob

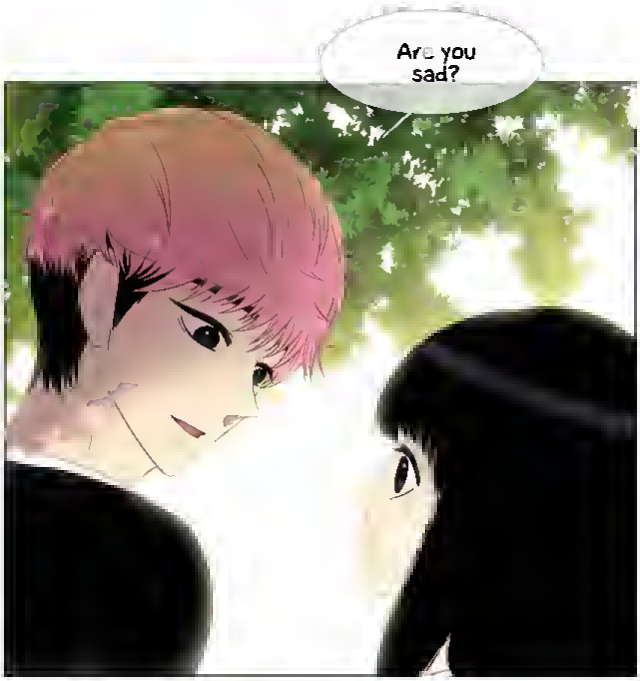


From now on, would you like me to come get you inside?
now? now
nod



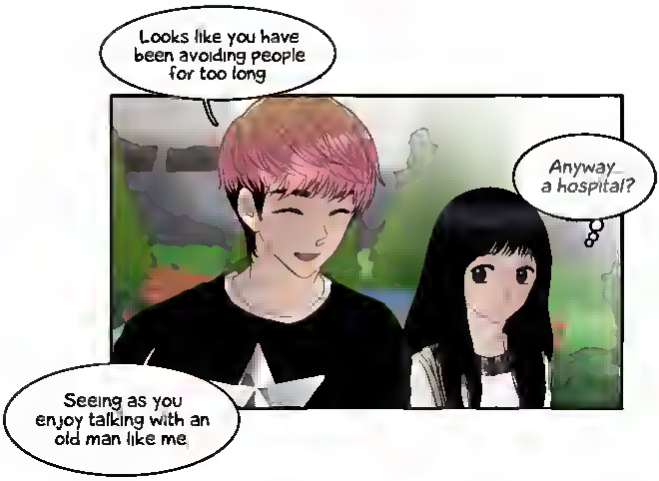
I have some business at the hospital, so let's just walk to the intersection down the street.

....
SULK

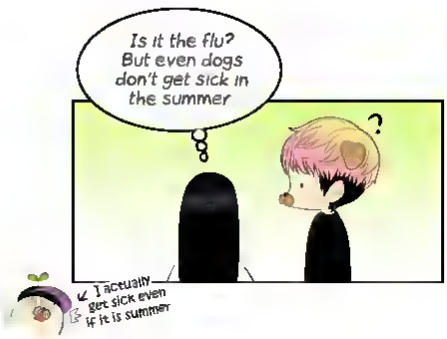


Are you sad?

Want to eat ice cream while we walk?
Uh... Yes.
Why I am acting like this?
It's a bit hot today.
Yeah.



Looks like you have been avoiding people for too long
Anyway... a hospital?
Seeing as you enjoy talking with an old man like me

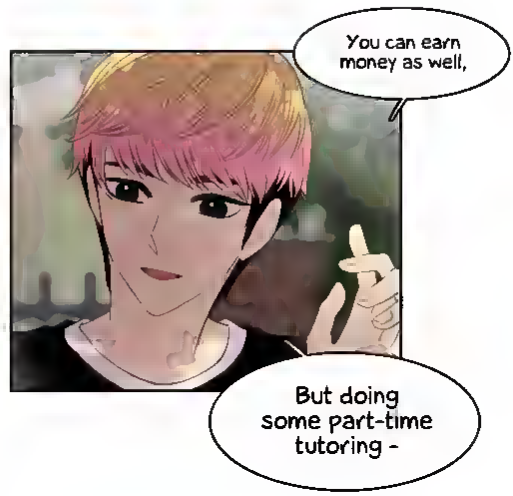


My Shiny World

Story/Art: Maru

T/N: AJUSSHI MEANS "MISTER" OR "SIR" AND REFERS TO A MIDDLE-AGED MAN.

Yummy
About the private lessons...
Sorry for asking you again, but even Nam Yoni looks like she would like you to do it.
She runs a small café.
Used to do the studying there.
I think you would definitely be comfortable there



You can earn money as well,
But doing some part-time tutoring -

...can also be of benefit to you, in my opinion.
And in the long run, being in contact with people...
CLENCH

...might help your trauma get better.

I also go there to study sometimes, because it's quiet and I can concentrate.
I'll do it.

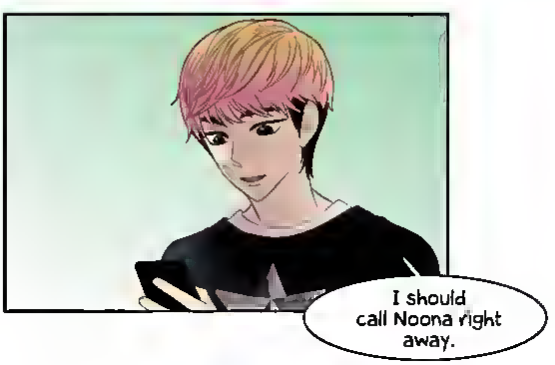
I'll try.

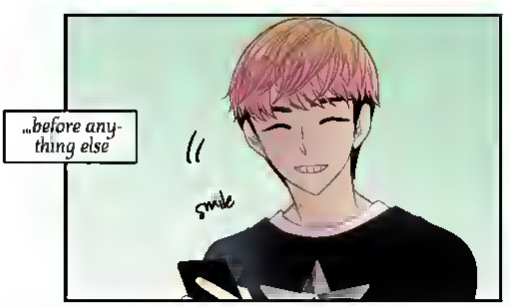
It's just like the ajusshi told me

If this continues, I won't be able to move on.

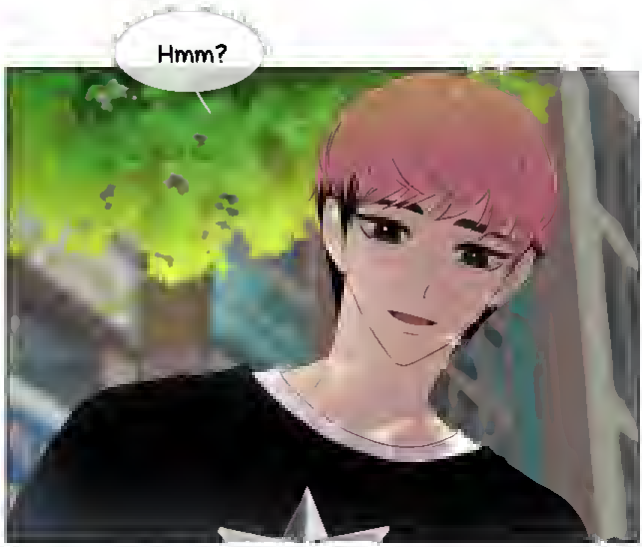
The only way to get better is to slowly come back into contact with people

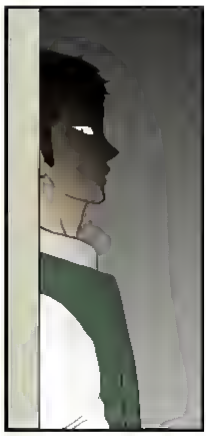
I should be thankful for this kind of opportunity,

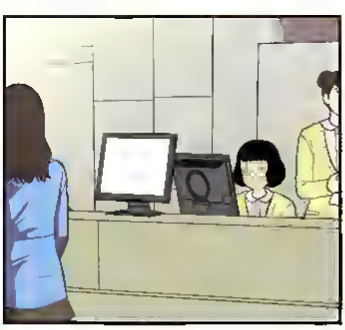




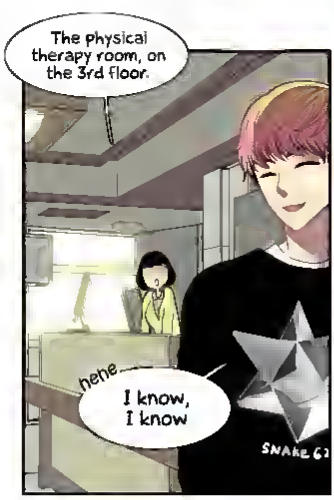
To be able to communicate every day...







Hi there.
Ack - you startled me.
Hello, Mister Jooeun



The physical therapy room, on the 3rd floor.

I know, I know
SNAKE 62

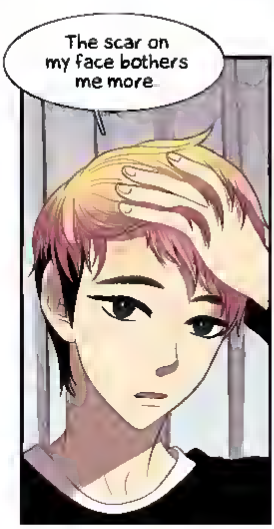
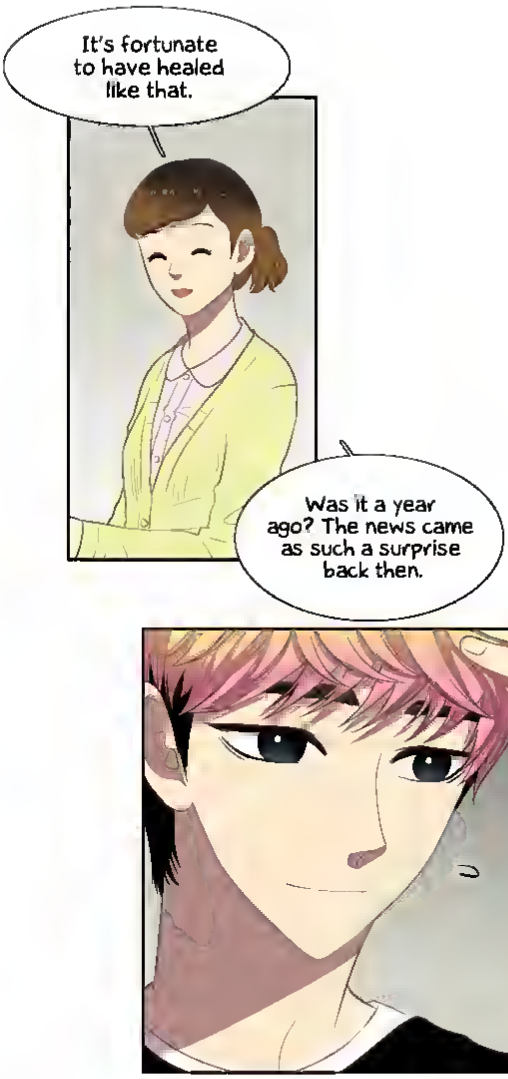
And you slept well, too.

Does it hurt when I press it?
press
press
Not if it's this much
No.
Not counting the ache from time to time, I'm fine



The scar on my face bothers me more.

My pretty face
I won't be able to spread out my hair, you know
Yes, yes.

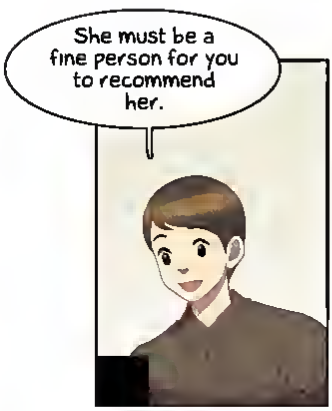


It's fortunate to have healed like that.
Was it a year ago? The news came as such a surprise back then.

Pinocchio Cafe
Big Sis!
Whaa, my sweet brother is here.
Aaa, stop it The customers are watching
squeeze!!
Ugh!!
Lim Kyongeun, Lim Jooeun's elder sister.

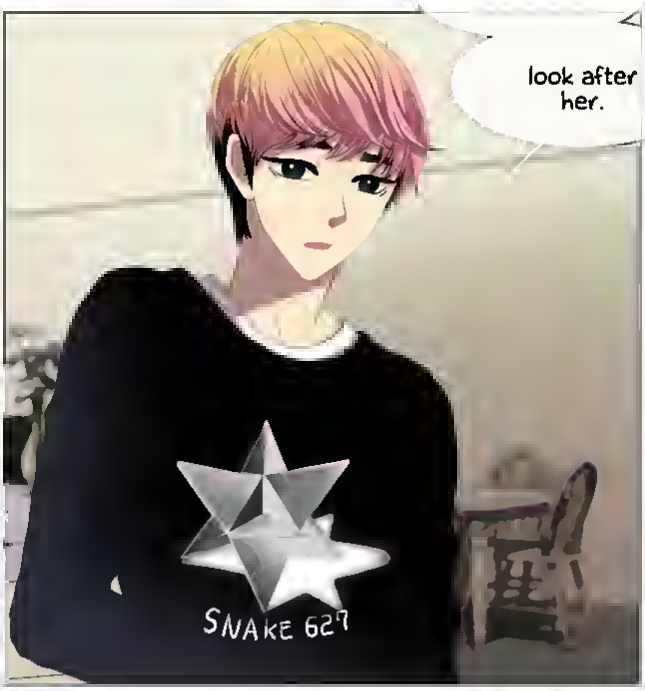
Boss treats you the same as always.
To be treated like a child in your 30's..
Well, she did raise me herself after our mother died.
And she's 15 years older..

I was totally her son.
22 years old, married early
It was like that
first daughter
Jooeun - 7 years old
101



Of course.

Maybe we've gotten close, or it just turned out like this,



But I have to
look after her.
